

Welcome to CRx!

A Specialty Pharmacy

We understand the unique challenges associated with navigating specialty medications and are here to support you every step of the way on your healthcare journey.

Our dedicated team of pharmacists and technicians is available to answer your questions and provide you with a personalized experience to meet your needs.

We offer a variety of services to help you succeed on therapy:

Training, education, and counseling

Our clinical team is here to provide you with the education and guidance you need.

Savings on your medication

We find opportunities to reduce the cost of your specialty medication and help you save money on your prescription.

Collaboration with your doctor

We work closely with your healthcare provider to ensure seamless coordination of your care and optimize your treatment plan.

Direct consultation with a pharmacist over the phone

If you have any questions about your therapy, our experienced pharmacists are just a phone call away. Our team can answer questions about medication administration, potential side-effects, dosing schedule and more.

Assistance with any questions or concerns

Your well-being is our top priority. Feel free to reach out to us for any assistance or information you may need.

Free medication delivery

Enjoy the convenience of free and reliable medication delivery right to your doorstep.

At CRx Specialty Solution Pharmacy, we want to help you achieve the best possible health and a positive treatment experience. You can expect a personalized and compassionate customer service experience that prioritizes your individual needs throughout your treatment.
